

## Wardrobes

The wardrobes are made of stainless steel according to the customer's measurements. The technical data provides commonly used standard dimensions.

The wardrobe has one adjustable shelf, under which there is a clothes rail for hangers. The doors of the wardrobe are double-layered and can be equipped with a regular or serial lock. We also supply the wardrobes with iLOQ-ready and a locking bolt.

Depending on the space, the wardrobes can be manufactured with a sloping ceiling and interior wall cladding.
